INTRODUCTION

“The only way
to do great work
*is to love
what you do.*”

- Steve Jobs

WHO ARE WE?

Founded in 2000, BTSA Logistics has become one of the most trusted shipping service companies in Indonesia. At present we consist of 4 departments: Domestic, Export, Import and Trucking. Starting from the Domestic department in 2000, then in 2003 the Trucking department was formed according to customer needs namely on time delivery of goods.

Over time, the trust of customers began to be nurtured and well-nurtured, so customers provide support to BTSA Logistics to expand to provide services in the form of customs management (PPJK). So in 2010 an Import department was formed in accordance with current market needs.

In 2012 BTSA Logistics began to form an Export department supported by an international private company in Medan.

BTSA Logistics is incorporated in PT. Berlian Tangguh Sejahtera for the legality of the Domestic department and PT. Berlian Transtar Abadi for the legality of the Export, Import and Trucking departments.

We have a team that is responsive, competent, has integrity and is oriented towards service and teamwork. We are well aware of the multiple effects of delays in the distribution of goods for companies that are our customers. Our team will always provide information, input and creative solutions so that business processes become more effective and efficient.

We also collaborate with shipping and domestic and international shipping agents to broaden the reach of services BTSA Logistics....

BTSA Logistics will always adapt, renew and develop so as to always provide excellent and optimal service such as speed, security and safety of shipping goods. We are committed to being a trusted logistics partner for various small, medium, large companies both multinational and international companies as stated in our motto, *“Your Reliable Logistics Partner”*.
